

**REMARKS**

In the Office Action, the Examiner allowed claims 1–9 and 11–21, but rejected claims 22, 24–63, and 65. Applicants canceled claims 10, 23, and 64 in previous communications. Applicants thank the Examiner for the recognition of allowable subject matter in the present claims. Although Applicants do not agree with the rejection of claims 22, 24–63, and 65, Applicants have chosen to place the application in condition for allowance by canceling the rejected claims without prejudice. Upon entry of the present amendment, only allowed claims 1–9 and 11–21 will remain pending. Consequently, Applicants respectfully request allowance of the present application. If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
